Hi Sharon,

I don't even know where to begin other than THANKYOU which doesn't even feel like it covers how grateful we are! From the moment we met you and your husband and you took time out of your night to travel to us, and then how amazing you were with our 2 kids we knew you were the right person for us.

Every bit of correspondence with you has been a dream. Your sweet bubbly personality took every bit of nerves we had away. You included our 2 girls in every way possible and we could not ever thank you enough for that. You gave us everything we were hoping for in a Ceremony and we are very appreciative for that. We can thank you enough for finally making us a family.

Xxx

Regards,

Mrs Richo J

Sharon is such a vibrant soul, she has an amazing vibe that just radiates from her. Our ceremony was perfect in every way. From the moment we met with Sharon to discuss our ceremony to the moment we said our goodbyes at the end of our ceremony Sharon made the whole process relaxed and stress free. We are so blessed to have had Sharon as our celebrant. Thank you Sharon words will never do justice for all that you do.
